1. PROCEDURE. Once the Modbus Organization receives an executed copy of this order form, your order for testing of the equipment listed above (the "Equipment") under the Modbus / TCP Protocol is deemed to be accepted by the Modbus Organization. Accepted orders may not be cancelled without the prior written consent of the Modbus Organization. Once your order for testing services is accepted, you should arrange to have the Equipment delivered directly to the Conformance Test Laboratory, as instructed by the Modbus Organization. When testing services are complete, you will be contacted so that you can arrange to have the Equipment returned to you. The cost of delivery and return of the Equipment is your responsibility. The Modbus Organization does not assume any responsibility for the Equipment and the risk of loss of or damage to the Equipment while in the custody of the Conformance Test Laboratory and while the Equipment is in transit remains with you.

2. SERVICE FEES. You agree to pay the Modbus Organization the applicable service fees for testing the Equipment. As long as the Equipment is received at the Conformance Test Laboratory within 30 days of the date set forth on this order form, the applicable service fees will be those set forth on this order form. If the Equipment is not received at the Conformance Test Laboratory within 30 days, the fees for testing the Equipment will be the Modbus Organization's then current fees for testing services, which fees are subject to change without notice.

3. PAYMENT. Services fees must be paid in U.S. dollars within 30 days of the date of invoice therefor.

4. TAXES AND OTHER CHARGES. Service Fees do not include any such taxes. In the event that the Modbus Organization is required to pay any such tax, duty, fee or charge on your behalf, you will reimburse the Modbus Organization

therefor. If you are exempt from any such taxes, duties, fees or charges, you must provide the Modbus Organization with an exemption certificate or other document acceptable to the authority imposing the same when you return your executed order form. Otherwise, you will be deemed to have waived the exemption.
